STANDARD FEATURES

SmartView™ Control This touchscreen control delivers effortless convenience at your fingertips **WAVE™ Wireless Control now standard.**

PowerFlo™ Filtration PowerFlo™ filtration delivers cleaner water, stronger circulation, and easier maintenance for a better spa experience.

Halo Lighting™ w/ (3) Cascading Water Spots This feature creates stunning ambiance with underwater pinlights and 3 lit cascading waterspouts.

EverPure™ Ozone w/ EverLite™ EverPure™ ozone purifies water while EverLite™ confirms operation, keeping your spa consistently clean and fresh. **EverPure2™ available as an optional upgrade.**

Reflections Stainless Jets™ These stainless steel jets adjust easily underwater, while interchangeable jet heads tailor soothing massage to sore muscles and personal hydrotherapy preferences.

Air'Assage™ Exclusive Air'assage™ air therapy delivers soothing bubbles that mimic a Swedish massage, surrounding your body with therapeutic relaxation.

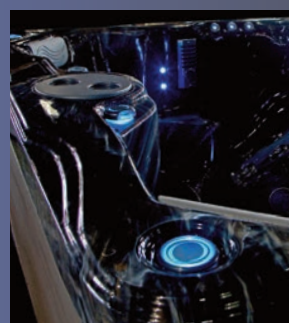

TemperLok™/TemperBase™ Insulation w/ Locking Thermal Cover & Back-lit PDC Logo Exclusive TemperLok™ and TemperBase™ insulation maximize energy efficiency, that keeps heat in and operating costs low. Includes locking thermal cover. Also, all cabinets now feature a back-lit PDC Spas logo.

Our spas are expertly engineered to deliver the powerful performance, design, comfort, and reliability you expect.

OPTIONAL FEATURES

LuminX™ LED Lighting New for 2026, the LuminX™ lighting feature adds corner lights for a vibrant, custom nighttime spa experience.

Allure2™ & Spectrum LED Lighting™ Allure2™ highlights topside controls and cupholders for beautiful nighttime relaxing. Spectrum Lighting™ illuminates jets and corner seating with vibrant lighting.

SoundStream™ Audio This system features marine grade speakers and internally mounted subwoofer. Enjoy Bluetooth technology for streaming music while relaxing in your spa.
